CSKC SPRAY SHEET SEPTEMBER 2026

WE DID IT AGAIN !!!!

I know I say it every month, but it was far from a cruisy month, every though it was our final month of the proper race season. We had our normal club racing, the last race of the Marathon series at Narrabeen, the two races at Manly, the Charles Stewart Memorial Cup, iconically known as they Chucky and the Bridge to Bridge, followed by a relay race which was the brainchild of Moso, that had everybody confused, which made for a fun race and we finished off the month hosting the final of the harbour series on home territory at Gunnamatta.

Gunnamatta turned on the weather, despite disappointing numbers, it was still a great day, and this is where CSKC really shines. Our dedicated club members simply got on with the job, everyone cracked on, worked together to make sure the event went ahead smoothly. The paddlers turned up, the racing got underway and despite bumpy conditions and the pleasure boats, it was a great day. Swim of the day goes to David Came TWICE.

Our paddlers also shined at all of the non-club races with CSKC achieving some good wins in the final Marathon race, the Manly Races and the final Harbour race, oh and I totally forgot that a CSKC crew the Myall Classic. WELL DONE ALL.

I might also mention that CSKC members, Rory Jarolimek, Michael McKeogh, John Lee, Daren Lee and Vukasin Vujanic will be representing Australia in both the 2026 ICF Canoe Ocean Racing World Championship La Vila Joiosa (Villajoyosa), Spain, from October 9 to 11, 2026 and the ICF Canoe Marathon World Championships held in Argentina (Gualedguaychú) from October 22 to 25, 2026. We are all so very proud. Good luck guys.

SHOUTOUT

A Shout Out to David Came

A big CSKC shout out to David Came, who has been doing some fantastic work behind the scenes to raise the profile of our club and strengthen our connection with the wider community.

Many of us have seen the difference David has made to our Facebook page, which has become increasingly active and engaging. Through regular posts, photos, race results, member achievements and club activities, we are showing people outside CSKC just how active, diverse and welcoming our club really is.

An active Facebook presence is about much more than social media. It is an important form of community outreach. Every post that is liked, commented on or shared extends our reach beyond our existing membership and introduces CSKC to potential paddlers, families, other sporting organisations and the broader community. David has also taken that outreach a significant step further, successfully securing an article about CSKC in our local newspaper, *The Leader*. This sort of exposure is enormously valuable. It takes the CSKC story beyond our own membership and social media followers and puts our club in front of the wider local community. It is great advertising for the club, but perhaps more importantly, it builds recognition of who we are, what we do and the contribution CSKC makes to our community.

And there is more happening behind the scenes.

David, together with other members of the CSKC Committee, has also been involved in advocacy with our local Council. This work may not always be visible to members, but building relationships with Council and ensuring that the club has a strong voice is incredibly important to CSKC's future.

All of these things work together. Facebook builds engagement, local media builds recognition, and advocacy builds relationships and influence. Collectively, they help establish CSKC as an active, respected and contributing community sporting organisation.

None of this happens by accident. It requires someone to make the calls, send the emails, develop the relationships, find the stories and keep pushing the club forward.

So, thank you David, and also to the other Committee members working alongside him. Your efforts are helping CSKC reach well beyond the water.

You aren't just promoting the club – you're helping build its profile, its relationships and its future.
Great work, David!

The Myall Classic

The Myall Classic is an annual multi distance race marathon paddling event held every September on the Myall River at Tea Gardens, running continuously since 2003. It started in 2003 and originally designed as a major shakedown and preparation race for the gruelling longer Hawkesbury canoe classic held each October. The distances offered are 12km, 27km and 47km.

The environment is within the protected scenic bounds of the Great Lakes Marine Park and Myall Lakes area

This year we had a few paddlers from CSKC who entered and did well in a field of 167 paddlers. Congratulations, Andrew Chumbly, Alasdair grant, Tim Gerrish, David Pollack and Graham West.

Chucky and Manly

The Chucky is named after TV Producer and Paddling alumni Charles Stewart. Charles passed away from a heart attack after finishing an ocean paddling session in 2016, this race is to honour his memory. The race has a 16km and 8km options

The Manly Wharf bridge to beach is an 11km race across Sydney Harbour, starting at Blues Point Reserve, passing beneath the harbour bridge and finishing at Manly Wharf. This year, Michael McKeogh, Hobie, Vuki, Rory competed and a Ben Constable and his Daughter Lillian did an amazing job in a double.
